ADOC Jurisdictional Population: Defines an inmate sentenced by the court to the Alabama Department of Corrections. ADOC Jurisdictional Population includes all inmates serving time within ADOC facilities / programs, as well as in the custody of other correctional authorities, such as county jails, other State DOCs, Community Correction Programs, Federal Prisons, and Privately Leased Facilities.

ADOC Custody Population: Defines an inmate where ADOC maintains and/or oversees custody of an inmate sentenced by the court. ADOC Custody Population includes In-House Population plus those housed in other ADOC leased facilities and special programs.

ADOC In-House Population: Defines an inmate where ADOC maintains custody of an inmate to a period of incarceration. ADOC In-House Population inmates are housed within correctional facilities owned and operated by ADOC; this includes transient inmates between correctional facilities.

Alabama Prisoner Re-entry Initiative (APRI): A pilot project which will provide enhanced pre and post- release services for 200 male/female inmates returning to Jefferson County after release from prison. These transitional services will enhance their successful reentry to society. APRI no longer implemented.

Alabama Therapeutic Education Facility (ATEF): Leased facility with contracted bed space, as well as intensive inmate rehabilitative and training services, located in Columbiana, AL.

Central Records Monitor: Defines the temporary status of an inmate pending transition to the status of *release, death, or escape*. After the change, the inmate will be removed from the corresponding inmate population count.

Community Corrections Program: Community based corrections program, including non-profits and those operated by county government, with oversight provided by ADOC. Governed by the 1991 Community Punishment and Corrections Act, Alabama Code, 1975, §15-18-170 et al., as amended in 2003.

Leased or contract Facilities: Private or municipal/county government owned correctional facilities that provide supplemental leased or contract inmate bed space to ADOC.

Major Facility: Includes all Close and medium security correctional facilities.

Medical Furlough Program: The *Alabama Medical Furlough Act* became law on September 1, 2008. This act provides the Commissioner of the Department of Corrections discretionary authority to grant medical furloughs for terminally ill, permanently incapacitated, and geriatric inmates who suffer from a chronic infirmity, illness, or disease related to aging, and who do not constitute a danger to themselves or society.

Restart Program: A collaborative program with the Alabama Board of Pardons and Paroles to provide a structured intervention for offenders who technically violate the conditions of parole. This 90-day program provides the offender an in-resident drug treatment and re-entry programming, in an ADOC facility. Successful completion of the program allows the offender to *restart* acceptable behavior and be released back on parole.

SB67 Sanction Population: Offenders who are technical violators of parole or probation, and are sanctioned to ADOC custody for a period up to 45 days.

Split Sentence Inmates: Inmates sentenced under Act 754 of the Alabama Code, allowing the sentencing judge to retain control over the inmate length of sentence with the option of probation after a specified length of incarceration.

Supervised Re-Entry Program (SRP): Defines an inmate in a residential environment, under supervision of a sponsor and an ADOC SRP Supervisor, where they may obtain employment, education, and / or training and pay court-ordered restitution. Rehabilitation, re-socialization, and reintegration of an offender are the SRP’s primary goals and allows for offenders to re-enter society in a structured manner. SRP includes inmates participating in reentry programs with the Alabama Prisoner Reentry Initiative (APRI) and the Lovelady Center.

Year or YTD: Year or YTD column headings are cumulative totals for the current fiscal year, October to September.

1-Limestone CF: Separate housing has been eliminated for HIV positive inmates in order to comply with the Americans with Disabilities Act.

Note - As of October, 2009, all incidents of inmate violence matching the criteria for the categories listed on this page of the Monthly Statistical Report are counted.

Prior reports counted only those incidents that were classified by ADOC regulation required internal investigation. ADOC regulation of incident reporting was revised accordingly.
